

JMP COVID 19 PROTECTIVE FACE SHIELD

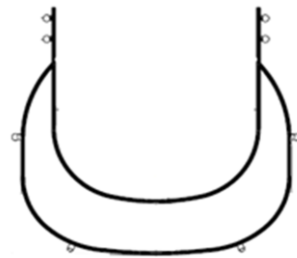

JMP Group, comprising of John Moffat Prolock in Johannesburg and Natal Gaskets in Durban, established in 1946, is a 51% black owned level 2 BEE internationally accredited (ISO 9001:2015) cutter, converter and provider of customized innovative and engineered solutions of industrial materials to various industries.

Full Face Shield

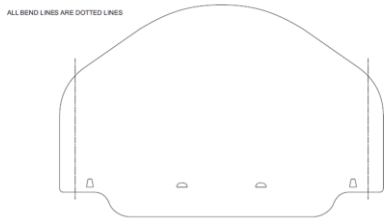

- Our face shield design has been tested by medical professionals to ensure durability and approval of maximum protection from the implemented design.

Safripol Head Piece

- Open head piece allows for optimal airflow and anti-fogging.
- Created head piece gap to allow for use with glasses, or masks if preferred.

PETG Face Shield

- 400 Micron PET clear face shield with 180° frontal barrier to protect eyes, nose, mouth and ears.
- All visors are replaceable for longevity and sanitary purposes.

Head Strap

- A comfortable rubber headband that can adjust to all different head sizes.
- Also compatible with any elastic strap/band.
